“Journey towards Spiritual Maturity”

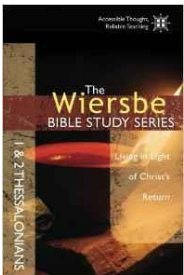

Study Cycle

Discipleship – keeping it real

1. Thessalonians 1 & 2

- Lessons 1 – 8: Dr. Warren W. Wiersbe, *Living in Light of Christ Return*

We know God calls us to be disciples and to make disciples, but all too often we don't know what steps to take to do this well. As a result, countless young men in ministries across the world are left to find their own way and are often swallowed up in sin. This needs to change! Satan has declared war on young men and it is time to teach them how to fight back. Let this resource be a starting point for you in formulating a plan for strategic and intentional discipleship.

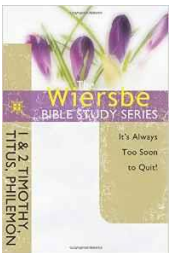

The Thessalonian church was struggling with an unbalanced approach to the Second Coming. While they eagerly awaited Christ's return, many believers were placing more value on their future hope than on peoples' current needs. Paul addressed this concern with a message that still resonates today. This study examines Paul's second letter to the Thessalonians and shares the need for a church that is focused on both heaven and earth.

Godly Leadership is essential to the life of every church call out by God with a mission of spreading the Gospel to the four corners of the earth. We often look to those who God has placed in leadership role as the gatekeepers of faith. However, God has call every believer in some fashion to be a leader. Once we have been call by God, quitting is not an option. We may quit on God, but God will never quit on us. He who has begun a great “Work” in you shall preform it until the day of Jesus Christ. The powerful message of James' letter to the church is as relevant today as when he originally wrote it—though it is still as challenging to hear. Many of our problems in life stem from our own spiritual immaturity. However, our spiritual life doesn't end there; God has more planned for us. He wants us to grow up, not just grow old.
